Outreach Programs

Many in our community are facing impossible choices on a daily basis. Some are choosing between paying their utility bill or buying insulin. Others may elect to stay home - even with serious symptoms - in fear of paying for a trip to the emergency room.

Our community outreach programs are designed to lessen these burdens and provide individuals and families with the opportunity to receive quality, compassionate healthcare.

Brighter Beginnings

Brighter Beginnings helps reduce infant mortality in the Northeast Florida community. This free, monthly program educates mothers and partners on prenatal and infant care.

Good Samaritan Fund

Our Good Samaritan Fund helps patients who qualify for emergency assistance. We are able to continue to provide compassionate care even after discharge through a variety of services

Mobile Health Outreach Ministry

Mobile Health goes beyond the walls of the hospital to deliver award-winning care to those in our community who need it most. Patients experiencing homelessness, who lack insurance or access to transportation, or who have trouble obtaining life-sustaining medications rely on our fleet of 5 fully-equipped doctor's offices on wheels to provide them with access to care.
