Foundation

Outreach Programs

Many in our community are facing impossible choices on a daily basis. Some are choosing between paying their utility bill or buying insulin. Others may elect to stay home - even with serious symptoms - in fear of paying for a trip to the emergency room.

Ascension St. Vincent's Mobile Health Outreach Ministry program is designed to lessen these burdens and provide individuals and families with the opportunity to receive quality, compassionate healthcare.

Mobile Health Outreach Ministry

Mobile Health goes beyond the walls of the hospital to deliver award-winning care to those in our community who need it most. Patients experiencing homelessness, who lack insurance or access to transportation, or who have trouble obtaining life-sustaining medications rely on our fully-equipped doctor's offices on wheels to provide them with access to care. Look who our Mobile Health helps:

Rural outreach ministry

Serves under-privileged families who work in agriculture in Putnam and St. Johns counties.

Urban outreach ministry

Serves homeless, uninsured patients and their families in Duval, Clay, and Nassau counties.

Pediatric outreach ministry

Serves students in 23 Duval County full-service schools, catholic schools, and independent charter schools.

Senior outreach ministry

Provides medical care and wellness education to seniors residing in 3 HUD housing apartment complexes.
