Good Samaritan Fund FY 2024 Impact Update

Letter from our Case Manager

There are so many unexpected costs that come along with a medical diagnosis. How will you get to and from your appointments? How will you pay for continued care like infusions or dialysis? What about paying for prescriptions? The list of complications can feel overwhelming for patients and can be a serious barrier to receiving care.

That's why your support of the Good Samaritan Fund is so critical to helping the most vulnerable in Northeast Florida. Since 1959, this fund has helped patients receive the high-quality, compassionate medical care that they deserve to receive. Your support directly helps patients with critical cost issues by paying for needs like transportation, infusions, dialysis and prescriptions. Quite simply, we can't deliver this type of care without your support.

This impact report takes a direct look at how your funds are supporting those in our community who need your support the most. Thanks to you the Good Samaritan Fund is able to close the gap between costs and medical care.

We at Ascension St. Vincent's are grateful for your support. You are working as the hands and feet of Jesus in our community and we thank you for your time and your gifts.

Danielle Sides, LCSW
Regional Director – Case Management
Good Samaritan

“Mrs. C suffers from end stage dementia. During admission the family made the hard decision on comfort care with hospice for their loved one ... Our department covered the discharge transportation cost for the family, who were thankful for the generosity of the Foundation.”

HOLISTIC SUPPORT: MISSION-DRIVEN CARE

Your gift to our Good Samaritan ministry provides patients with the support they need after a life-changing diagnosis. From transportation to medications, you are helping Ascension St. Vincent's deliver on its mission to be the hands and feet of Jesus.

2,230 RIDES

Getting home after a medical visit can be a big complication – we're making sure it's not.

**2,447 PATIENTS
SERVED**

We're a lifeline for many in our community who rely on your support for help.

**SERVICES TOTALING
\$582,040**

We're providing everything from dialysis to durable medical equipment to patients.

Good Samaritan Fund FY 2024 Impact Update

Mission

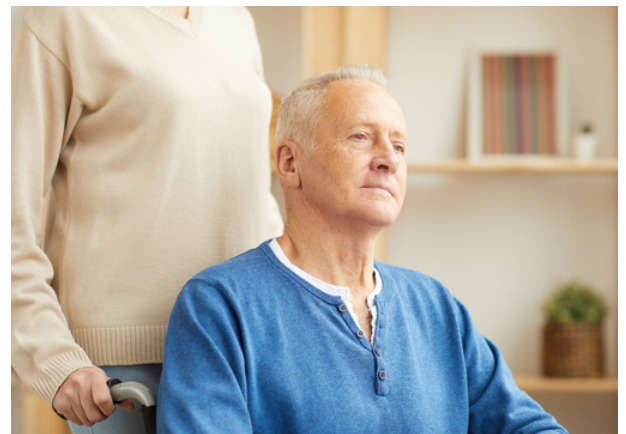

Rooted in the loving ministry of Jesus as healer, we commit ourselves to serving all persons with special attention to those who are poor and vulnerable. Our Catholic health ministry is dedicated to spiritually centered, holistic care, which sustains and improves the health of individuals and communities. We are advocates for a compassionate and just society through our actions and our words.

The Good Samaritan Fund

The Good Samaritan Fund was created in 1959 to help those less fortunate by providing support beyond the high-quality, compassionate medical care provided at Ascension St. Vincent's. The Fund helps patients who need financial help with things like prescription medications.

Our Good Samaritan Fund helps patients who qualify for emergency assistance. We are able to continue to provide compassionate care even after discharge through a variety of services, such as:

- Offering medications for patients who could not be safely discharged without support
- Helping patients with no vehicle or transportation get a ride home
- Connecting underinsured patients with medical equipment and basic necessities for their continued healing
- Funding temporary shelter for homeless patients who need a place to recuperate following care

“My patient was provided charity outpatient antibiotics as well as charity lab draws. The cost of the antibiotics was over \$24,000 and the patient did not have the funding or the resources to cover the life saving medication. My patient and his family were so thankful that the foundation was able to provide these services so he could continue to heal and be with his children.”

Good Samaritan Fund

FY 2024 Impact Update

Financial Report

The Good Samaritan Fund relies on your donations and gifts to support the people in our community who need this care the most. Thanks to you we are able to transform our community, one life at a time.

FY2024 Donations	Amount
Good Samaritan Fund	\$ 601,246

Impact by the Numbers

The Good Samaritan Fund helps patients cover the gap between their medical needs and the cost associated with that lifesaving care. This often means patients receive help in key areas like transportation, infusions, durable medical equipment and dialysis.

Amount	Total People	Use
Transportation	2230	\$ 345,248
Infusion	23	\$ 41,134
Durable medical equipment	50	\$ 5,223
Dialysis	39	\$ 148,634
Medication	14	\$ 3,999
Home Healthcare	3	\$ 607
Respite care	5	\$ 31,705
Clothing	75	\$ 5,490
Total dollars spent in FY2024	2447	\$ 582,040
